

Bedfordshire Sands

SUMMER BBQ

Saturday, June 15th 3-6 p.m.

Houghton Conquest, Bedfordshire —please contact for further details

You are invited to join us at our summer memorial event, a time to meet together to enjoy each others company, have some good food and remember our babies. There will be an opportunity to write a message to your baby on a flying wish paper that can then be lit and released. You are welcome to stay for as long or as short as you would like. Children are welcome.

Please RSVP to Bedfordshire@sands.org.uk by the 7th June to give us an idea of numbers (although if you change your mind at the last minute then that is fine too!) Please let us know if you have any dietary requirements.

No contribution of any kind is required, but if you would like to bring some food to share then you are very welcome to, please let us know what you intend to bring
